Central assistance for flood management in Andhra Pradesh

842. SHRI NANDI YELLAIAH: Will the Minister of WATER RESOURCES be pleased to state:

(a) the details of the Central assistance provided to the State Governments to take up critical anti-erosion/flood management works and to strengthen nation-wide flood forecasting and warning systems alongwith utilization thereof during the Tenth Five Year Plan period;

(b) the works in progress/completed with the above said Central assistance in various States, particularly Andhra Pradesh during the Tenth Five Year Plan period; and

(c) the details of the monitoring system to ensure proper utilisation of Central assistance and timely execution of works undertaken with it?

THE MINISTER OF WATER RESOURCES (PROF. SAIF-UD-DIN SOZ): (a) Ministry of Water Resources is providing central assistance to States under Centrally/Sponsored Schemes for Critical anti erosion works, improvement of drainage in critical areas of the country, raising & strengthening of embankments etc. The details of central assistance provided under these schemes during the X Plan along with utilization thereof are given in the enclosed Statement-I (See below). No central assistance has been provided to the State Governments to strengthening nation wide flood forecasting and warning system.

(b) The scheme wise works in progress/completed, with above said central assistance is given in the enclosed Statement-ll *(See* below).

(c) For timely execution of the works undertaken by the State Government and proper utilization of the central assistance, the progress of works is monitored regularly by Ganga Flood Control Commission, Brahmaputra Board and Central Water Commission.

Water Harvesting

†843. SHRI RAM JETHMALANI:
DR. MURLI MANOHAR JOSHI:

Will the Minister of WATER RESOURCES be pleased to state:

(a) whether it is a fact that despite insufficient monsoon rain the availability of water in 76 big water reservoirs of the country during past months has been more in comparison to the corresponding period in the last year;

(b) if so, the details thereof and the status of water harvesting during the last year and this year upto the month of July, 2006;

†Original notice of the question was received in Hindi.
